

# Wonford Health and Wellbeing Hub

Survey results - August 2020

# Introduction

In July and August we conducted two online surveys to find out what local residents wanted to see in the new Wonford Health and Well-Being Hub. One was with the general public, and the other with pupils from two local secondary schools, Isca Academy and St Peter's.

- General survey: 341 households, 980 residents (80% Wonford residents)
- Schools survey: 80 responses
- Surveys for young people and people with disabilities is still ongoing.
